

WHO WE ARE:

AFFINITY is an organization made up of professionals who have dedicated their careers to providing the highest quality services to children and adults with autism spectrum disorders and their families.

Our team consists of Board Certified Behavior Analysts (BCBA's) who are recognized as some of the best in the state. Most of our Behavior Analysts have provided behavior support for ten to twenty-five years, often working exclusively with children and adults with autism. We believe that our experience, our commitment to quality, and our desire to help will make us the best choice to meet the needs of your child and your family.

WHAT WE DO:

- Employ a team of Board Certified Behavior Analysts (BCBA's), each with multiple years of experience working with children with autism spectrum disorders.
- Complete comprehensive assessments to identify your child's developmental strengths and needs.
- Develop interventions that are a good fit for your family to teach your child new skills and address problem behavior.
- Employ a team of highly skilled autism interventionists who provide skill-based instruction in your home to your child using applied behavior analysis.
- Meet with you on a regular basis to discuss your child's progress and evaluate teaching and intervention strategies.

WE VALUE:

- Using the most effective, research-based strategies to help your child learn and grow.
- Developing strong partnerships and frequent communication with parents.
- Listening to you and the priorities you have for your child.
- Making a real difference in your child's life.
